It is understood that when a Member receives reimbursement from the NDT Industry National Training Fund for educational costs or certification and/or testing fees, the Member can no longer use such costs as a tax deductible expense. The applicant also agrees that if he/she terminates employment from the QCCC segment of the NDT service industry, works for a non-signatory contractor, or becomes expelled/suspended from their home local or lodge within 3 years of receiving reimbursement from the NDT Industry National Training Fund, these monies, as well as any and all expenses incurred by the Trustees in the collection of the funds, will be repaid in full to the NDT Industry National Training Fund by the applicant.
