11 Under the profile tab, select "Manage family".

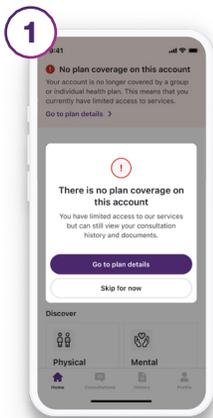

12 Start a consultation from the home screen as soon as you need care.

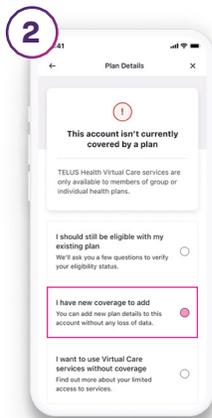

Virtual Care membership re-enrollment: web and mobile app.

If you recently switched employers or if your employer switched benefit providers, your TELUS Health Virtual Care account may now have an inactive membership status. To continue using the service through your new employer, you will have to re-enroll your account directly on the mobile or web app.

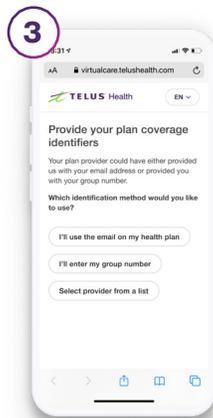

Re-enroll on the app.

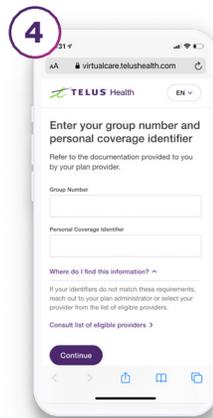

1 Log in to the Virtual Care app. A pop-up will notify you that you do not currently have active coverage.

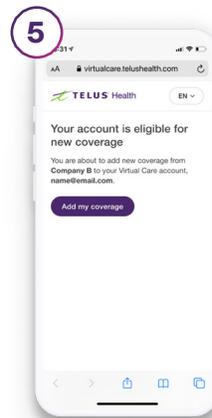

2 Click on "Go to plan details" and select "I have new coverage to add."

3 Confirm you're the primary account holder and verify eligibility by choosing "I'll enter my group number."

4 Enter your Group Number: and Personal Coverage Identifier:

5 Select "Add my coverage." Your new coverage information will be available under your account's Plan Details section.
